

Cold Sores and Fever Blisters

are only outward manifestations of the inflammation of the mucous surface that lines the lungs, the stomach and all the digestive tract, but they give you evidence of how sore a membrane may become as a result of inflammation, which is stagnation of the blood, rightfully called acute catarrh.

If you suffer from such conditions don't let them become chronic, don't run the risk of systemic catarrh.

Clear it Up With PERUNA

When your system is cleared of all its poisons, the membranes soothed and healed, the cold gone and your digestion restored, you will enjoy life, feel equal to all its tasks, and be at peace with the world. Let Peruna do for you what it did for this sufferer:

Mrs. L. A. Patterson, 238 Utah Avenue, Memphis, Tenn. says:

"I have been a friend of Peruna for many years. I have used it off and on for catarrhal complaints and found it a very excellent remedy. I have a small family of children. Times are hard with us, but I can scarcely afford to do without Peruna, especially during the season of the year when coughs and colds are prevalent. We always recommend Peruna to our neighbors, for the benefit it has been to us."

You needn't suffer longer with such a remedy at hand.

Peruna can be obtained in tablet form. You can carry it with you and take it systematically and regularly for a remedy, or as needed for a preventive. Get a box today.

Government Inspector in Rochester Praises "FRUIT-A-TIVES"

MR. R. B. O'FLYNN

89 North Union St., Rochester, N. Y.

"For five long years, I was afflicted with Stomach, Liver and Kidney Trouble, which developed into serious Bladder Trouble. During that time, I am safe in saying I tried over 50 different remedies without relief.

I saw a testimonial of, I think, a Montreal man about 'Fruit-a-tives' and concluded to make one more trial. By the time the sample box was finished I found quite an improvement; and when I had finished a 50c. box, there was a grand improvement far beyond my expectations.

To make a long story short, I believe 'Fruit-a-tives' or Fruit Liver Tablets the best Stomach, Liver and Bladder Medicine the world has ever produced."
